

For the week of August 13, 2017

(1) Look up the definition of the word, Trinity. A good place to begin your search is on the website, www.gotquestions.org. simply type in the question, *What does the Bible teach about the Trinity?*

(2) Read Romans 10:8-13. Discuss as a family how a person is saved. Have each person present who is saved to share their testimony with the family. For someone who may be living alone this may be a good time to write out your testimony. Try to keep your testimony to about two or three minutes long. Often you will not have much more time than this to share with someone about your salvation experience. To keep it simple and clear try to keep three elements in your testimony: your life before Christ, how you heard and responded to the gospel, and how your life has changed since becoming a believer in Jesus Christ as Savior and Lord of your life.
