

Family Devotion #12

Beloved, on Sunday we were in Romans 4:1-8. In this passage we learned that Paul recounted to the recipients of the book of Romans that Abraham believed God and it was accounted to him as righteousness. With this in mind turn to the New Testament passage of Acts 16:1-33. Read the passage and discuss it with your family highlighting the gospel message that was delivered to the Philippian jailer. Also discuss the fact that those who were saved by believing the gospel message were immediately baptized in obedience to the Lord.
