Family Devotion #9

For the week of October 8, 2017

This month marks the 500th anniversary of the Reformation started by Martin Luther. Do a study of the Reformation, look up important facts such as: the date, what was contained in the 95 Thesis, where did this take place, who was Philip Melanchthon, what roll did he play in the reformation? The group that was formed as a result of the Reformation is called the Protestants, who were they protesting against and why? Hint, much of this last question can be learned by discovering the objections listed in the 95 Thesis.

Word study! Create a working definition for you and your family for the word, *Antinomianism*.
