

**Family Devotion #23**  
For the Week of February 25, 2018

Beloved,

Our text on Sunday was Romans 6:15-23 with emphasis on verses 15-19. Within this periscope there were three areas of application for the believer's everyday life: lordship of the believer's life to Jesus (verses 15-16), the importance of doctrine (verse 17), and sanctification in the life of a yielded Christian (verses 18-19).

Take time with your family to go over this text and talk about the ways they can live giving Jesus lordship over their lives, ways they can grow in learning biblical doctrine, and how they must choose to be obedient to the Lord in following His statutes, precepts, commandments, and judgments in the process of sanctification. Make sure they understand these three terms. The emphasis of all of this is to lead them to personal holiness. Be sure they understand what personal holiness means.

Blessings!
