

Family Devotion #6
For The Week of September 10, 2017

This week's focus is on giving. To start this study go to www.gotquestions.com and look up the article named, *What does the Bible say about Christian tithing? Should a Christian tithe?* As you read this article be sure to go the Scripture references listed. Remember, Scripture is always our ultimate authority.

At the bottom of this article you will find a list of other articles related to this subject. It will not take long to work through the list, again, be sure to look up all of the Scripture references. As you work through the articles pray and ask the Lord to give you wisdom on how to honor Him with your giving.

Now is the time to teach your children about giving. Talk with them about giving to the Lord from the monies they earn. It is never too early to start.
