

**Family Devotion #5**  
For The Week of September 3, 2017

In our message on Sunday, Romans 1:18-25, we studied the wrath of God. God is holy, just, and perfect in His wrath, unlike mankind. Read Proverbs 6:16-19 and discuss the seven things God hates. Ask each person to consider their actions over the past week to see if they have personally done anything that God hates.

There may be sin to be confessed openly to the family or privately before God. Have everyone turn in their Bibles to I John 1:8-10 to gain biblical instruction regarding confession and forgiveness of sin.

Word drill, look up the word, *soteriology*, come up with a working definition for the whole family. This would be a good time for everyone who is saved to share their testimony with the family!

Someone once said, *God hates sin and judges it, but loves sinners and desires their salvation.*
