**Acts 2:14-41**  
**Brothers, What Shall We Do? Repent!**

**PRINCIPLES AND PRACTICAL APPLICATION**

***PREACH!***

**I.** Men and women, this is a fulfillment of prophecy! **Vv 14-21.**

**II.** Jesus is the Messiah! **Vv 22-32.**

His miracles, wonders, and signs attest/prove His being the Messiah  
His resurrection attests/proves that He is the Messiah.

**III.** Jesus, the glorified Messiah, poured out the Holy Spirit as you see & hear. **Vv 33-36.**

**IV.** Appeal to repent and respond, then the results of the appeal. **Vv 37-41.**

Yet future, the “Parousia” or “Second Coming” of Jesus. The “Rapture” and “Parousia” are two different things occurring at two different times in God’s redemptive plan.

The word servant in **verse 18** is equal to slave. To be this kind of “servant” is to wholly belong to God, no corners of one’s life are off limits. Submissiveness and obedience mark the lives of those who truly repent. Be like Jesus who always did the Father’s will.

Joel spoke this in 870 BC. The last days begin with Jesus’ first coming and end at His Second Coming. The apostles had no idea when that Second Coming would occur, nor do we.

Miracles, signs, and wonders serve God’s purpose to authenticate: a man, office, or message. They were often used by the Lord Jesus to authenticate His Messiahship and in the book of Acts they served to authenticate the apostles office and message.

**Application:**

If you have not already accepted the gospel message and believed on the Lord Jesus Christ for salvation from sins, today is the day. Please do not put it off, only you can make this decision, no one else can do it for you, there is an old saying, get right or get left. Peter strongly urged them to be saved from this corrupt generation and this pastor is saying the same. It cannot be your grandparents or mom and dad’s salvation, it cannot be that some time way back you had an emotional experience but there was no real change. **II Corinthians 5:17** clearly states, “Therefore, if anyone is in Christ, he is a new creation, the old has passed away, and see, the new has come.” CSB Search your heart like your eternity depended on it, because it does. Do like Peter instructed, make His calling and electing you sure, meditate on **II Peter 1:1-11.**
